# FROM THE PRINCIPAL'S DESK

I am pleased to welcome the esteemed recruiters for the Placement Season 2021-22.

At Keshav Mahavidyalaya, every day is an opportunity for students to tap into the abundance of their potential within and bring it to realization. The college, with its diverse academic departments, dedicated faculty and a gamut of extra-curricular activities, strives to achieve greater heights with every passing year. The students understand that being different means being bold enough to challenge the norm, to forge their own trail and chart their own destiny. It is this strength, passion and will to create change that has become the hallmark of Keshav Mahavidyalaya and is clearly evident in the efforts of all those associated with the college.

We aim to forge practical learning and corporate exposure alongside pursuing academic proficiency. I hope the recruiters will find our students capable, responsible & well prepared for facing challenges and working productively towards the profiles they have to offer. The college looks forward to long-lasting and mutually beneficial associations.
